

MEMBERSHIP BENEFITS

Your membership offers more than meeting the USCG drug testing requirements for licensed captains and mates.

- **Access to the Members Only Facebook Group** – Paid members will be invited to join the page by an officer.
- **Members Only Website** – Special page of our website with all the information captains need to maintain their licenses as well as many useful links.
- **Group Discount Programs** - See our Members Only Facebook group or any officer for more information.
- **Network of Captains** - Opportunity to network with other members to arrange multiple boat charters for additional business.
- **Listing on Association Website** - The website is hosted in association with Lake Erie United. Listing can be customized with your personal website and email.
- **Membership Meetings** - ELECBA meets February, April, June, October & December and provides updates on USCG information and enforcement, NYDEC fishery information and lake & harbor news and information. Dates and locations vary in WNY and are sent via email at least 14 days prior to the meeting.
- **Membership Credentials** – Card & decals.
- **Drug Testing Consortium** – Drug testing program meets all the requirements of Title 46 Code of Federal Regulations, Part 16.230, Title 49 Code of Federal Regulations Part 40.
- **Alcohol Screening Test** – Captains receive complementary alcohol screening test for use in the event of a serious marine incident.
- **A Voice** - Your voice on important topics becomes much louder when it is delivered from an organized group. The ELECBA has a relationship with local and state government leaders.
